REGISTRATION POLICIES

Late Fees

Davis Arts Center fees are due in full at the time of registration. Students may not participate unless all fees have been paid. Teachers cannot be paid if fees are outstanding, so please be courteous to your teacher and to Arts Center staff by paying for classes by the start of each session. **A \$5 administration fee will be charged for each class registration received more than 7 days after the first day of the class.**

Cancellations

Please register at least 1 week before the beginning of a class session, since minimum enrollment must be met for classes to be held. When enrollment is below the minimum 5 days prior to the first day of class, there is a strong possibility that the class will be cancelled. Davis Arts Center will make every effort to contact registered students in a timely manner if cancellation occurs. If a class is cancelled by the instructor registrants will receive a full refund.

Wait Lists

Once an instructor's maximum enrollment is reached, names will be placed on a wait list and students will be notified if an opening occurs. Contact the Davis Arts Center office to be added to a wait list.

Refund Policy

All refunds due to student withdrawal are subject to a \$5.00 administration fee. Please be certain that you are able to attend before registering for a class. Notification of withdrawal must be given at least 10 business days before the start of the class, or you will also be responsible for the materials fee (if any).

Registrations are considered final 5 business days before the first class, and no refunds will be given after this time. Exceptions to this policy may be granted only in cases of documented family or medical emergency (see front office staff).

Davis Arts Center does not pro-rate fees due to planned absences, minor illnesses, vacation schedules or other conflicts. Classes are not refunded or pro-rated due to failure to attend. Any exceptions to this policy require permission from the instructor and Davis Arts Center. A \$5.00 administrative fee will be applied to the approved pro-rate or drop-in amount.
