NEW REGISTRATION POLICIES

Pro-Rating Fees

Davis Arts Center does not pro-rate fees due to planned absences, minor illnesses, vacation schedules, or other conflicts. Classes are not refunded or pro-rated due to failure to attend. Permission from the instructor is needed for exceptions to this policy. If pro-rating or drop-in payment is approved by the instructor, an administration fee will be applied to pro-rate one or more classes in a session.

Late Fees

Davis Arts Center fees are due at the time of registration. Students may not participate unless fees have been paid. Teachers cannot be paid if fees are outstanding, so please be courteous to your teacher and to Arts Center staff by paying for classes at the start of each session. A \$5 administration fee will be charged for each class registration received more than 1 week after the beginning of the class.

Cancellations

We urge you to register at least 1 week before the beginning of a session, since minimum enrollment must be met for classes to be held. When enrollment is below minimum 5 days prior to the first day of class, there is a strong possibility that the class will be cancelled. We will make every effort to contact registered students in a timely manner if cancellation occurs.

Waiting Lists

Once an instructor's maximum enrollment is reached, names will be placed on a waiting list and students will be notified if an opening occurs. You cannot add to the waiting list while registering online.

Refund Policy

If a class you have registered for is cancelled, you may choose to have your fee refunded in full, transferred to another class, or posted to your household credit account for future use at Davis Arts Center.

If you are unable to attend a class, we will issue a full refund if you notify us no later than 2 weeks before the first class.

If notification of cancellation is received after this time, but at least 5 business days before class begins, you will be responsible for the materials fee (if any), and a \$5 administration fee. The remaining balance will be applied to your household account for use towards any future class or membership fees.

Registrations are considered final 5 business days before the first class, and no refunds will be given, unless you are transferring to another class taught by the same instructor. Exceptions to this policy may be granted in cases of documented family or medical emergency (see front office staff).

Participation Policies

Davis Arts Center is not responsible for unattended children on the premises. We do not assume responsibility if your child is dropped off early or picked up late. Please come into the building to see that your child gets to class. Davis Arts Center is responsible only for registered students. Parents are responsible for children brought onto the premises who are not registered in our classes.

Scholarships

A limited number of scholarships for classes are available through Davis Arts Center Scholarship Fund. In addition, the Arthur C. Heehler Scholarship Fund provides scholarships for adult creative writing students. Awards are based on demonstrated financial need. Residents of Davis and nearby areas are eligible. Applications are due at least three weeks before the start of the class desired.

Please note: Scholarships can be given to the same family only once per year.

Interpreter Services

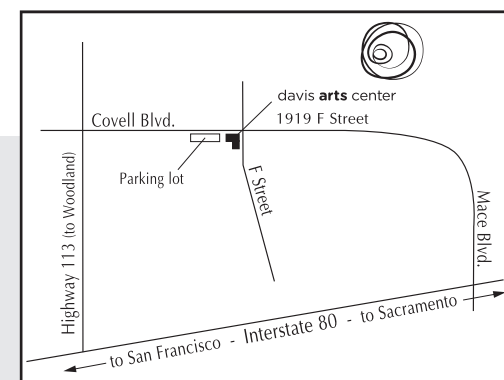

Davis Arts Center is pleased to provide interpreter services for deaf students. This service is made possible by the \$1000 Red Roses Fund established by the band Lawsuit. Donations to this fund are always welcome.
